・ 自己PR Self-promotion	Since I was born and have been brought up in Wazuka Town. I know much about this town. Now I am a volunteer guide of Nara city. In addition, I am showing both domestic and foreign guests around the tea fields of Wazuka as an assistant guide of this town. Furthermore, I welcome both domestic and foreign students to my house and provide them with homestay experiences as a host family registered at the local experience-exchange council. My house is 8-minute walk from Wazuka-cha Cafe, and is surrounded by beautiful tea fields.
・ お茶の京都エリア内での得意分野・エリア (案内可能地域含む) Specialties and areas within the Kyoto Tea area (including areas where you can guide)	My guiding services are limited to sightseeing tours of Wazuka Town and activities related to green tea. The tour itinerary for the day is as follows: 1. I will guide you through various tea plantations and historical sites in Wazuka Town (such as Ryokusen Course and Asaka Course). During the harvest season (May-July, October), we will stop by a hand-picked tea plantation where you can experience hand-picking tea leaves. 2. After the walk and hand-picking experience, I will serve you sencha (Japanese green tea). I will also demonstrate how to brew delicious sencha. 3. After the tea service, I will take you back to the Wazuka Tea Cafe, the starting point of this tour. If you wish to purchase tea products from local farmers, you can do so here (closes at 5:00 PM).

・ 特記事項 Special notes	1. If your group is small (around 5 people), I can offer you a special experience of either brewing sencha (non-powdered green tea) or preparing matcha (powdered green tea). If you would like to participate in either of these experiences, please contact me at least 3 days in advance, as prior preparation is required. 2. The meeting place on the day of the event is "Wazuka Tea Cafe" (a 5-minute walk from the "Wazuka Yamano-ke" bus stop on the Nara Kotsu Bus <Wazuka Kizu Line 65 system>/ free parking available).
