<p>・自己PR Self-promotion</p>	I am a local people in the southern area of Kyoto Prefecture and want to guide our wonderful sightseeing places to any overseas travelers. I have learned at the guide course organized by Another Kyoto DMO, let's walking and enjoying with me.
<p>・お茶の京都エリア内での得意分野・エリア (案内可能地域含む) Specialties and areas within the Kyoto Tea area (including areas where you can guide)</p>	I recommend you to visit Kamo area located at Kizugawa city. There are Jyoruri-ji temple and Gansen-ji temple, where are surrounded by mountains. You can see many hear-warming buddhas and beautiful garden. The connecting path between these temples may be mysterious to see many Stone Buddhas. Of course, I can guide you to the tea fields at Wazuka area and Kasagi-dera temple surrounded by huge rocks. Both views from the walking route is fantastic.
